NOTICE TO CONTRACTORS

Comox Electoral District

Bridge Project No. 642—Whaletown Ferry Terminal, Contract No. 2 (Approach Road).

SEALED TENDERS, marked "Tender for Bridge Project No. 642—Whaletown Ferry Terminal, Contract No. 2," will be received by the Minister of Highways in his office at the Parliament Buildings, Victoria, British Columbia, up to 2 p.m. (Pacific Daylight Saving time) on Thursday, the 15th day of May, 1969, and opened in public at that time and date.

Plans, specifications, and conditions of tender may be obtained from the Department of Highways, 773 Sixth Street, New Westminster, British Columbia; Provincial Government Plan Viewing Room, 1414, 207 West Hastings Street, Vancouver 3, British Columbia (telephone 684-8918); or from the undersigned for the sum of ten dollars (\$10), which is not refundable.

Construction of this contract shall conform to the requirements of the applicable sections of the Department of Highways "General Specifications for Highway Construction." If the bidder does not already have a copy of these specifications, one may be obtained from the Provincial Government Plan Viewing Room, Vancouver 3, British Columbia, or from the undersigned for the sum of ten dollars (\$10), which is not refundable. All copies purchased are registered and amendments are forwarded when issued.

Each tender must be accompanied by a bid bond in an amount equal to five per cent (5%) of the tender price. This bond shall be forfeited if the tenderer declines to enter into a contract if called upon to do so. A performance bond and a labour and material payment bond, each in the amount of fifty per cent (50%) of the tendered sum, in a form acceptable to the Minister of Finance, must then be provided by the successful bidder prior to the award of the contract.

Tenders must be made out on the forms supplied and enclosed in the envelope furnished.

Tenderers are advised that all bidders will be required to satisfy the Minister of Highways, in writing, that they have the

necessary qualifications to successfully perform the work. It is necessary that tenderers submit with their tenders a list stating the type, capacity, and present location (so that inspection can be made if necessary) of the equipment in their possession or at their disposal which is immediately available for the carrying-out of the work within the time limit specified without in any way curtailing or delaying any Departmental project that may be under contract at this date.

No tender will be accepted or considered which contains an escalator clause or any other qualifying conditions, and the lowest or any tender will not necessarily be accepted.

It is necessary that tenderers submit with their tenders a schedule of proposed construction operations showing estimated monthly progress for each phase of the construction work.

H. T. MIARD,
Deputy Minister.
